

CANADIAN SOCIETY OF ANIMAL SCIENCE NOMINATIONS COMMITTEE REPORT

The CSAS Nominations Committee for 2001/02 consisted of Karen Beauchemin (Chair and Past-President), Helène Petit (Secretary-Treasurer), Derek Anderson, Denis McKnight, Chantal Farmer, and Jim House. An excellent slate of nominees agreed to let their names stand for election. The nominations were: Duane McCartney and Paul McCaughey for the position of Vice-President, Christiane Girard and Denny Crews for the position of Secretary/Treasurer, Karen Schwartzkopf-Genswein, Kees Plaizier, and Sylvie Bilodeau-Goeseels for Western Director, Robert Berthiaume for Eastern Director and Doug Yungblut and Alan Iwaasa for the new Directors-at-Large positions.

Biographies were posted in April on the CSAS web site and were also included in the mailing with the ballot. A total of 176 ballots were returned and counted, with an additional 5 ballots returned after the deadline. The ballots were counted by Karen Beauchemin and Tim McAllister. I am happy to present the new 2002-2003 executive: President, Shannon Scott; President Elect, Erasmus Okine; Vice President, Duane McCartney; Secretary/Treasurer, Christiane Girard; Eastern Director, Robert Berthiaume; Western Director, Karen Schwartzkopf-Genswein; and Directors-at-Large, Doug Yungblut (1-year term) and Alan Iwaasa (2-year term).

The committee extends sincere thanks to all members who agreed to be nominated. As Chair, I would like to acknowledge the contribution of the other members of the committee. I hereby move that the ballots be destroyed.
