

Vice President's Report
Prepared for the Annual Meeting of the Canadian Society of Animal
Science
July 26, 2005: Cincinnati (Ohio)

This year the Vice-President's main role has been to assist in coordination of the conference in Cincinnati and to start to lay some ground work for upcoming meetings. Arrangements for Cincinnati were made with the tremendous assistance of the Executive Directors of the Federation of Animal Science Societies, our President Duane McCartney and our Secretary/ Treasurer Christiane Girard who coordinated the CSAS pre-conference symposia. To begin with a rolling list of actions items was generated covering all the details that needed to be looked after and through a series of conference calls and emails all of these were addressed. The proof will be in the pudding, however, but I'm quite confident our meeting in Cincinnati will run without a hitch. Contact with our friends at the Nova Scotia Agricultural College was also made and it was confirmed that our 2006 conference will be in Truro
